

MyChart Register for Delivery

Are you a Baptist Health patient with a unique medical record? If so, sign up for MyChart to register for your upcoming delivery.

Check with your Baptist Health physician clinic or use **Sign Up Now** from the MyChart login page to access the **Sign Up Online** option, following steps to activate your MyChart account.

1. Once active in MyChart, from Your Menu select Register for My Delivery.
2. Select your anticipated delivery date and the hospital facility of your preference to **Continue**.

3. Verify and update your demographics, insurance information, as well as delivery questions to **Continue**.

Once submitted, your expected delivery will be created in the system. Upon arrival for delivery you'll sign paper work and confirm information is still correct.
