Community Impact Report

Our faith-based, not-for-profit medical center is committed to providing quality patient services and addressing health needs in the communities we serve.

Baptist Health Medical Center-Arkadelphia is making an impact in the following ways:

- Enhancing access to health care serves in rural, low-income areas that might not otherwise be available through rural health clinics in Gurdon, Prescott, Caddo Valley and Bismarck
- Utilizing telehealth services to bring awareness and educate on identified health concerns in Clark County and surrounding areas
- Offering Diabetes Empowerment Education Program classes to educate those with chronic diseases on how to live a healthier, more active lifestyle
- Providing home-delivered, superior quality meals to seniors as an easy solution to maintaining good health through proper nutrition

The 340B Drug Pricing Program supports BHMC-Arkadelphia's efforts to expand access to prescription drugs, health education and comprehensive healthcare services.
