

Our faith-based, not-for-profit medical center is committed to providing quality patient services and addressing health needs in the communities we serve.

Baptist Health Medical Center-Stuttgart is making an impact in the following ways:

- Expanding access to primary health care services through rural health clinics in Brinkley, Clarendon, DeWitt, England, Hazen and Stuttgart
- Offering health education and prevention tips during an annual health fair with free screenings and activities for children
- Assisting patients with diabetes, cardiac issues and other health concerns through support groups
- Providing proactive screenings, including mammograms in October as part of Breast Cancer Awareness Month
- Offering calcium scoring with new CT scanner technology at a discounted rate of \$49 for the scan only and \$99 for the scan with enhanced testing

The 340B Drug Pricing Program supports BHMC-Stuttgart's efforts to expand access to prescription drugs, health education and comprehensive healthcare services.
